## Junior Conference Packing List

- Shorts or pants appropriate for outdoors Alabama June heat for five days. (All shorts must provide full coverage.)
- T-shirts will be provided for you to wear during daily activities, and will be washed each night.
- A casual outfit to wear to the Thursday night dance. (Don't bring prom gear; it's just us Bridge Builders, but usually everyone wears something nicer)
- Bedding and pillow of your liking for a twin-sized bed. (Sleeping bags work great!)
- A pair of well-worn tennis, hiking, basketball, etc. type shoes that are either closed or have a strap across the heel. Sandals are not recommended for daily activities but can be worn for evening activities. The daily activities are outdoors and active. It rains from time to time and we still go outdoors, so don't bring your new nifty shoes. Bring the tried and true ones.
- A pair of shower shoes is always good as we have dorm-style bathrooms.
- Toiletry items, including towels that you use each day for your personal needs.
- Sunscreen for those really sunny days.
- Change for the dorm soda machine if you wish.
